**ORDER RE: INDIRECT PURCHASER
PLAINTIFFS' AND STATES
ATTORNEYS GENERAL'S JOINT
MOTION FOR INTERIM
REIMBURSEMENT OF EXPENSES**

20
21 On May 18, 2012, the Court held a hearing on the joint motion for interim reimbursement of
22 expenses filed by the indirect purchaser plaintiffs and the States Attorneys General. The Court has
23 reviewed the motion and supporting declarations, and finds as a preliminary matter that the expenses
24 at issue (outside experts and consultants, deposition and court hearing transcripts, electronic document
25 database, mediators' fees, discovery special master's fees, and translator/interpreters) appear to be
26 reasonable and necessary to this litigation. However, the declarations in support of the joint motion did
27 not include invoices for the sought costs. The Court directs the parties to file supplemental declarations
28

1 attaching invoices for all of the expenses claimed in the joint motion.¹ The parties shall file the
2 supplemental invoices by July 27, 2012.

3 The Court notes that the indirect purchaser plaintiffs and the States Attorney's General state that
4 they will seek reimbursement for other costs such as, *inter alia*, travel, meals and lodging, at a later date.
5 All counsel are advised that with regard to those and similar types of expenses, counsel shall submit not
6 only copies of invoices for the expenses claimed, but also declarations explaining with specificity why
7 the costs were reasonably and necessarily incurred. For example, if counsel seek reimbursement for
8 travel, meals and lodging, counsel shall state which individuals incurred the expenses, the purpose of
9 the trip, and why the particular meal and lodging expenses are reasonable and necessary.
